

Women in Astronomy

WOMEN IN ASTRONOMY LUNCH MEETING

WHEN: Wednesday 29 August, 12:00 – 13:30

WHERE: Room L3 + L6

WHAT: Dr Andreas Keil (European Research Council) will present how gender-related fairness in ERC evaluations is implemented and how effective it is, especially in terms of the evaluations outcome.

Break-out groups and table discussions will focus on the current status of women in astronomy and will be an opportunity to network.

Prof. Ewine van Dishoeck, IAU incoming President, will share her views and close the meeting.

NOTE: Pre-registration is required.

The WAM is hosted by the IAU Working Group on Women in Astronomy and the IAU GA NOC and LOC, thanks to a gracious donation by the US National Academy of Science and the Norwegian Academy of Science and Letters.
